I enjoy learning and experimenting with new technologies, especially those that allow me to acquire knowledge in different application areas thanks to working in multidisciplinary teams.

Professional Knowledge

- Development of web applications with technologies such as Angular and PHP
- Design and management of relational and non-relational data bases (SQL, MySQL, MongoDB)
- Application of agile development methodologies such as Scrum or Kanban

Aptitudes

- Teamwork
- Leadership
- Assertive communication
- Problem solving

Languages

- Spanish: Native
- English: Intermediate

Academic Background

Bachelor of Computer Engineering
Instituto Tecnológico de Costa Rica
2016 - 2021 (in process)

High School Graduate
Colegio de Limón Diurno
2015

Certifications

EF SET English Certificate 63/100
EF Standard English Test (EF SET)
2020

Scrum Fundamentals Certified
SCRUMstudy
2019

Extracurricular Activities

Vice President
Federación de estudiantes del Instituto Tecnológico de Costa Rica
2019

FEITEC delegate
Congreso Estudiantil Universitario de Centroamérica y el Caribe (CEUCA)
Guatemala 2019

Congressman

IV Institutional Congress
Instituto Tecnológico de Costa Rica
2019

Assemblyman

Representative Institutional Assembly
Instituto Tecnológico de Costa Rica
2019

Academic Experience

Tutor

Data structures
2020

NASA Space Apps Challenge

Contestant with Orise proyect
2019

Business Ideas Fair

Contestant with UPlanner proyect
2019

Course Assistant

Data structures
2017
